Hi Joe,

Thanks for checking in! That's not a problem. How about we shoot for May 15?

Subject: Eastern LMRAP DO Consultation Extension Request

Hey Mike,

Regarding the eLMRAP DO consultation, I would like to request a 10 day extension for the BE review process. I want to have adequate time to research components of the BE in order to provide a well-informed decision. This would also be beneficial in allowing more time for internal review.

Thanks,
